Message from Asst Chair (Alumni), MAE Alumni Association, MAEAA Membership Form, Past Events and Photos, Update Particulars, Job Postings

MAE Games 2013
Our MAE Games 2013 was held this year on the 11th October 2013 at the Sports and Recreational Centre. The goal of this event was to help bring staff and students of MAE together in a competitive but fun filled atmosphere to improve collegiality.

MAE Chair receives Academic Career Award
Congratulations to Professor Chua Chee Kai, MAE Chair, for winning the Academic Career Award at the 6th International Conference on Advanced Research in Virtual and Rapid Prototyping (VRAP 2013).

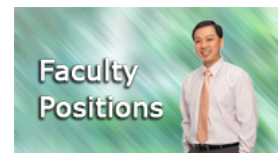

MAE Associate Professor's proposal wins in the A*STAR call for ideas 2013
Congratulations to Associate Professor Xie Ming whose proposal is one among the 4 winning entries in the A*STAR call for ideas 2013.

MAE's NAO robots aim to help kids with autism
A team of MAE researchers under A/P Chen-I-Ming together with therapists from Institute of Mental Health (IMH) are on a study to test whether robots could help kids with autism learn to be more social.
